CREW REGISTER AND MAN OVERBOARD TRAINING RECORD

Royal Brighton Yacht Club recommends that all crew be provided with safety training appropriate for the event category to be sailed. In addition to the Yachting Australia Racing Rules of Sailing it is recommended that a **Man Overboard (MOB) Exercise** be carried out with the crew, on the boat as entered, prior to the start of the racing season (10 Oct 09), or as new crew start racing with the boat.

All crew members who may sail on the boat regularly, shall sign this register prior to the start of the racing season, or as new crew start racing with the boat. A copy of this register shall be retained by the skipper.
